

## **Merrell Bailey Speaks at 2014 Orlando Women's Conference May 2**

**Maitland, FL – May 5, 2014** – Your Caring Law Firm, a boutique legal practice focused on probate, wills, trust and guardianship services, as well as business succession, asset protection and estate planning, today announced that managing partner Merrell Bailey spoke at the recent Orlando Women’s Conference. The one-day event, which was hosted by Orlando Health and Orange Appeal, was held on Friday, May 2, at the Hyatt Regency Hotel in Orlando. For the fourth year in a row, the Orlando Women’s Conference has featured dozens of speaks that offer women leaders a chance to broaden their horizons with personal and professional development sessions.

Bailey’s Presentation, entitled “*Life Lessons from The Wizard of Oz*,” uses the popular story to showcase various issues that those planning their estate may face. Specifically, her presentation looked at topics from substance abuse in poppy fields to Toto biting the neighbor and how to plan accordingly based on these situations.

“I’ve always loved the examples that The Wizard of Oz offers,” Bailey explained. “Dorothy is a substance abuser and new tax laws are getting the best of Aunt Em and Uncle Henry. These are real, scary issues facing people today and my goal is to help eliminate some of that stress. It was a pleasure to present at this year’s conference and work alongside the other talented speakers.”
